

ENVIROMENTAL POLICY

Cornish Property Services is committed to responsible environmental management & to be a leader in pursuing acceptable & sound environmental practices within the community.

- Cornish Property Services will at all times operate within the requirements of environmental legislation & any license conditions applicable.
- Cornish Property Services requires all employees & sub-contractors to operate in an environmentally responsible manner & to immediately communicate breaches of environmental practices to Management
- It is the responsibility of every employee & sub-contractor to take all necessary steps to recover any incident that breaches environmental legislation, license requirements & / or site client guidelines.
- Cornish Property Services requests the active participation of all levels of management & all employees, to ensure environmental objectives are achieved at all times.
- Cornish Property Services will ensure that all employees comply fully with site specific environmental policies & / or directives requested by the client under terms of contract
